Things that the human did

This is my nest! It looks unsuperbly tiny, compared to the other places I've lived in, this is the least I've had
The only problem is

I wasn't always afraid of this stormy in the past, I used to live with humans. At that time, I was never this cold or this hungry
Although I can't remember them at all

When I was young...

There was one human that treated me gently most of the time. Even when we'd meet for just a moment,
Pat
She tried to make contact me her best she could

When the gentle human disappeared, they became much cruel
Oh it can't be helped
I tried my best to not intrude upon their territory as much as possible.

And every time I did that, they made that noise.
Cackle

Cackle

Her attitude was fascinating.
My mean-flecks pants. It's hard not to notice.

Cushions~ A very good choice!

?
FO
CUS

My instincts turned on? That you will be my prey?
Whaaat Whaaat
Whoa! I forgot who you are. You won't forget the moment of fear!

Snoosh!!
Ohohho Hahahahaaaa! Yummmm~

Squish
Caught it! It's above you all! Its fine gentle human~

Eat the gentle human? Wait no longer then!

West, north, south, east anywhere.
Glance
Glance
Not here.

Where..?
I must find another the gentle human for the place where I feel safe.

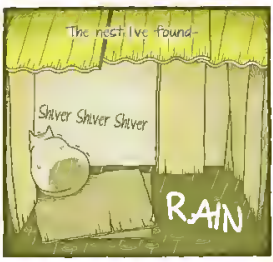
I tried to provide the the gentle human for a long time.
I ate anything when I was hungry, and slept whenever I felt sleepy.

I also met my "friends," but...
Hyaa!!
They had a different smell and they didn't like my smell

"Friend" what's that? Can't be eaten or anything?
Why aren't you running away?

I was always alone. It was sad, hungry and... lonely.
I wonder where the gentle human is?

I always tried to find a new nest, but it was inevitably taken. I was forced truly trying to find a new one.
I now gave up on the... gentle human.



The next I've found-
Shiver Shiver Shiver
RAIN

I don't know if it's the rain's fault but I haven't found any opponents so far
But I can't stay relaxed...

I felt tired now I didn't even have the strength to find other places This was probably going to be my last nest
I just want to curl up in the snow... I want to sleep.

RAIN
I hate the rain...

See you in the next chapter..
